

Gaza Song 4 – All Of God's Children Got Hearts

Description

All Of God's Children(Old Spiritual)

You got a heart
I got a heart
All of God's children
Got a heart
When I get to Gaza
Gonna break my heart
Gonna break my heart
Over killin'
Killin'
Killin'
Everybody fightin' over Gaza
Isn't thinkin' right, elsewise
Elsewise, elsewise,
There'd be no more fightin' over Gaza

You got a brain
I got a brain
All of God's children
Got a brain
When I get to Gaza
Gonna use my brain
Gonna use my brain
Help stop the killin'
Killin'
Killin'
Everybody fightin' over Gaza
Needs to stop it now
Gaza, Gaza, Gaza
Gonna use my brain about Gaza

You got a family
I got a family
All of God's children
Just one fam'ly
When I think of Gaza
Got to think of family
Can't have no killin'
When there's fam'ly
Fam'ly, Fam'ly

Can't keep bombin' if
you care about family,
Family, Family
No more killin' God's family.
