

Gaza Song II - Has Anybody Seen My Peace?

Description

Has Anybody Seen My Peace?
Rockets hissing in the air
Parents fearful, in despair
Has anybody seen my peace?
I want to garden, plant my corn
See my firstborn baby born
Has anybody seen my peace?
Well, if you're out there on the Gaza Strip
Living your life
Knowing that the world is watching
All the fighting, all the strife
Won't someone please?
Stop all these attacks
Attacks and killing, bombing, jeez!
Has anybody seen my peace?
