Gaza Tzena Song

Gaza, Gaza, Gaza, Gaza
O your troubles are
Too big for me
Gaza, Gaza, Gaza, Gaza
So I'll close my ears
And shut my eyes
Gaza, Gaza, dance instead
No bombs are falling
La, La, La I cannot hear
my fingers in my ear!

Gaza, Gaza, with my eyes shut
One, two, three, four,
No one dying anymore
Gaza, Gaza, won't it mend
If I pretend?
Gaza, Gaza, Gaza!

Gaza, Gaza, Gaza, Gaza
Take away this blindness
From my eyes
Gaza, Gaza, Gaza, Gaza,
Help me clearly see
What is disguised

Gaza, Gaza, join with every nation
Let us sit with contemplation
Till at last no bombs are falling
Nothing more to fear

Gaza, Gaza, we are trying
One, two, three, four
Keep the children here from dying
Gaza, Gaza,
Our heart's crying
Gaza, Gaza, Gaza!
(repeat verses)
