

Get Out and VOTE!

Description

Though it would be best, if Obamaâ??s chest
Bore a big red â??Sâ??•â??Go out and vote!
Though youâ??re full of doubt, though youâ??re not devout
Donâ??t stay home and poutâ??Go out and vote!

We all know from the latest op-ed, our democracy hangs by a thread
It wonâ??t help if you take to your bed while they gloat.
Though the times are tough, if youâ??re brave enough
Citizens, Go out and vote!

So you went to school, youâ??re nobodyâ??s fool
If youâ??re crazy coolâ??Go out and vote!
Let the games begin, gather all your kin
Be like Howard Zinnâ??Go out and vote!

Think what Romney would do as the prezâ??have you heard all the dumb things he says?
Heâ??d look perfect on top of a Pezâ??Make a note!
Tell your friends out thereâ??say it everywhere
Hey, people, Go out and vote!
