{c: this is in chordpro format which means you can copy and paste this into your favorite song software and it should be able to place the notes above the words. This way other musicians can pick up the song and Rage On!}

Last [D] night some [G]new thoughts did [D]surround me
When [D] thinking of [E7]herones of [A7]old,
What [D] they fought for does [G] really astound [D]me,
They [G]were so [A7]brave and so [D]bold.

[D]Rise up, [G]sing [E7] out
On [A7]matters that matter to you and [D] me!
[D]Sign up! [G]Get out and [E7] vote
And [A7]weâ??ll make a difference, youâ??ll [D]see!

Some [D] brave women [G] in our [D] communities
Refused [D] to be [E7]quiet and [A7]meek
They [D] struggled to [G] gain [D]opportunities
To [G] work and [A7] to vote and to [D] speak.

Our [D] Susan B. [G] Anthâ??ny and [D] others,
They [D] spoke and [E7] they marched and they [A7] wrote,
Saying [D] women must [G] be treated [D] fairly
And [G] they must be [A7] allowed to [D] vote!

[D]Rise up, [G]sing [E7] out
On [A7]matters that matter to you and [D] me!
[D]Sign up! [G]Get out and [E7] vote
And [A7]weâ??ll make a difference, youâ??ll [D]see!

Now [D] many long [G] years have [D] transpired
Since [D] brave women [E7] won us a [A7] voice
They [D] worked and [G]they struggled [D] together,
So [G] weâ??d have a [A7] vote and a [D] choice.

[D] Rise up, [G] sing [E7] out
On [A7] matters that matter to you and [D] me!

[D] Sign up! [G]Get out and [E7] vote
And [A7] weâ??ll make a difference, [D] youâ??ll see!
