

GI Joe Is Coming To Town

Description

Better watch out Better not cry
Better beware
We're telling you why
GI Joe is coming to town
2) He's bringin' his bombs
Bringin' his guns
Gonna make soldiers
Out of our sons (and daughters)
GI Joe is coming to town
Bridge Our boys all want to grow up
To be like GI Joe
But we don't have to buy him
So why don't we just say 'no, '?
3) It's the season of peace
Season of love
Out with the hawk
In with the dove
Let's throw GI Joe out of town!
