

## Globalization We Love You

### Description

(Note – This song is sarcastic. Wearing those dollar store false noses would work well here)  
There's a bright golden future for business  
It's like every day will be Christmas  
Profits soaring sky high when we get M-A-I  
And guess who will get the best share of the pie?

### CHORUS

Globalization we love you  
You make our tiny hearts glow  
No more of those petty restrictions  
Blocking that lovely cash flow

2) All you running shoe workers are lazy  
You must think that your bosses are crazy  
We're not going to pay you to pee twice a day  
That's a privilege easily taken away

### CHORUS

3) Since they brought in agreements like NAFTA  
We are shifting our assets- we hafta  
If we want to keep on the top of the heap  
Our motto has gotta be – go where it's CHEAP!
