

Gran of Many Sorrows

Description

I – am a gran – of many issues I've seen trouble all my days
I-bid farewell to sittin' and knittin'
I know that I – was born to rage (She knows that she, was born to rage)
I- am a gran – who often borrows
From famous tunes, to make a point
It- ain't to show – my wit and wisdom
But to protect – this earthly joint (She will protect, this earthly joint)
I – don't know what – will come tomorrow
But for today, my song will be
De-fending nature, peace and justice
Supporting world – community. (We will support, community)
