

Gran of Many Sorrows

Description

I am a gran of many issues I've seen trouble all my days
I bid farewell to sittin' and knittin'
I know that I was born to rage (She knows that she, was born to rage)
I am a gran who often borrows
From famous tunes, to make a point
It ain't to show my wit and wisdom
But to protect this earthly joint (She will protect, this earthly joint)
I don't know what will come tomorrow
But for today, my song will be
De-fending nature, peace and justice
Supporting world community. (We will support, community)
