

Grannie Midnight Special

Description

Well, ya wake up in the morning,
Ya hear the WOKE bell ring,
(*Increase tempo*)
Then we MARCH to the table
And we start to sing
Not much food upon the table
Lots of pork by congressmen
So weâ??re gonna complain, friend,
Doing all we can

Chorus

Grannie midnight special
Shines its light on me
Grannie midnight special
Shines its light on me
Grannie midnight special
Shines its light on me
Grannie midnight special
Shines its ever-loving light on me

Yonder come the Grannies
How did they know?
By the way we wear our aprons
And the signs we show
Umbrella on our shoulder
Song sheet in our hands
We come to see the people
Tryâ??na to free our land

Chorus

Grannie midnight special
Shines its light on me
Grannie midnight special
Shines its light on me
Grannie midnight special
Shines its light on me
Grannie midnight special
Shines its ever-loving light on me

*Ya, weâ??ve gone off our rockers
Taking action where we can
Food drives for empty pantries

While we entertain our fans
We're not just at rallies
We're in the community
Helping make lives better
Despite our achy knees

Chorus

Grannie midnight special
Shines its light on me
Grannie midnight special
Shines its light on me
Grannie midnight special
Shines its light on me
Grannie midnight special
Shines its ever-loving light on me

When life gets overwhelming
And hope is hard to see,
Sing along with the Grannies!
Cheaper than therapy
Be like a Grannie
Speak up and take a stand.
Time for Good Trouble
To sweep across the land

Chorus

Grannie midnight special
Shines its light on me
Grannie midnight special
Shines its light on me
Grannie midnight special
Shines its light on me
Grannie midnight special
(slowly) **Shines its ever-loving light on me**
