

Happy Mothers Day

Description

[This is an updated version of a song I posted in 2017. Mothers Day is here again, but thereâ??s still no end to the killing, and too many mothers are mourning for their children!]

Hereâ??s a song for all the mothers,
And their sisters and their brothers,
Aunts and uncles, all the others:
Happy Motherâ??s Day!

Mothers should not raise their sons
To play with war toys or with guns.
Letâ??s stop the killing, everyone!
Happy Motherâ??s Day!

Mothers Dayâ??s a day of peace,
A day to say that wars must cease,
For love and kindness to increase (so)
Happy Motherâ??s Day!

One trillion, two trillion, three trillion dollars,
Wasted on war if we donâ??t holler:
â??You can go but we wonâ??t follow!â??
Happy Motherâ??s Day!

As mothers we must show the way,
So let us pledge on Motherâ??s day:
Make evâ??ry child safe today (for a)
Happy Motherâ??s Day!
