

## Have We Changed Anything?

### Description

Protest – just a fad that passes? Or, activist, your whole life through  
Is it time to be a leader?  
Won't a follower always do?

Will we see change in our lifetime?  
Who remembers that we care?  
History already tells us  
That it mattered we were there.

2) I have seen it with my own eyes  
In my neighbourhood, my town,  
On TV and in the papers  
Politicians backing down

Misdeeds and corruption routed  
I can name you time and place  
When our world succumbed to justice  
We were there to set the pace

3) Goodie, goodie, we can rest, then?  
Not so fast, my grannie friend  
While there's life and breath within us  
The same causes come again

Vigilant in every corner  
Laughing at the darkest foe  
In our flowered hats, still singing  
'In and through the world we go!
