

HB2

## Description

Let's hear it for HB2,  
Protecting me and you;

Now you won't have to fear

That anyone queer

Will be peeing next to you.

Let's hear it for HB2,

And the bigots who voted it through;

Now you all must prove

When your bowels move

That you know just who is who.

So check the sign on the door  
And then do something more,  
Prove your sex  
To the old rednecks

Who voted for this law.  
With five minutes to decide,

They set gay rights aside;

And bigotry

Has been set free,  
But we still have our pride.

And there's one thing we all know.

As we did to old Jim Crow:  
Again and again  
Weâ??ll fight â??til we win!

HB2 has got to go!
