Her Song Lives On (Revised Version)

Description

Does her song die When a Gran is gone? Or does her melody live on? I think when sheâ??s no longer bound To this troubled Earth Her song lives on.

Her songs helped quench
The flames of war,
And stilled the tyrants evermore.
And through the strife we hear her still,
And so we know
Her song glives on.

The songs she sang
While with us here,
Still bring a smile, a laugh, a tearâ?!
And those she touched must surely know
â??Though she is gone,
Her song lives on.
