

Hey Big Spender

Description

(starting note is G -or F sharp-? below middle C)
Â

Now if you take corporate dough, ...(pause & do hip booms to the left , then right.. to a drumbeat)

even though you might tell us you're on our si-ide!

Uh Uh! Honey! Â (shaking our heads & one finger indicating No)

We've already been on that ri-ide!

If you expect to get votes... (boom, boom) from all us workin' folks

then keep one thing in mi-ind (hold up one finger)

Com-pro-mis-in'

is how we got so far behind! (pause and then shout)->Â SO DON'T !

We want to knowÂ where you stand...(boom, boom). on the issues

like H RÂ six seven six!

That's Improved Medicare for All

the Â one way our health care can be fixed! (pause and then shout)->Â FOR GOOD!

And where do ya' stand o-on guns?... (boom, boom) We are done

with those who think their campaign funds

are more important than

the li-i-ives of our daughters and so-ons!

So if you're really true blue... (boom, boom) a real progressive

then the least that you must doo-oo

is give up corp'rate money

and fight for single pa-ayer too!

IF YOU WANT OUR VOTES! (*pause slightly & then do one hip boom to the left*)
