

How Much Are Those Wars?

Description

How much money are we really spending
On our endless war in Iraq?
Let's cut off the funds and save that money
For injured troops when they come back.

How much money does it truly cost us
To occupy Afghanistan?
A better use for all of that money:
Create jobs throughout the land.

How much are those tax breaks that we handed
To mega-multi-billionaires?
Financial deregulation,
Caused foreclosures everywhere.

How much will it take until we realize
That bloodlust and greed aren't nice.
Send those C-E-Os to kindergarten,
To repeat it at least once or twice!
