## **How Much for a Bailout?**

**How much for a bailout for the bankers  
Oh just a mere trillion or two  
How much for a bailout for the bankers  
There's DOUGH for them BUT not for you**

**How much to help folks stay in their houses  
Mere folks can't get money you see  
But just give more money to the bankers  
And they'll be just fine yes-sir-ee!**
