

## How Much?

### Description

How much for those fighter jets from Lockheed?  
Our MP's can't seem to find out.  
And why not a bidding competition?  
Why does Lockheed Martin have clout?  
How much are those tax breaks gonna cost us  
For Big Businesses and the rich?  
While most folks just have to keep on struggling  
It's time we made some kind of switch!

Why don't we do something for the homeless?  
Why don't we do more for the poor?  
Why yap endlessly about ECONOMY,  
While those in true need we ignore?

And why spend more than a billion dollars,  
Guarding G-20 leaders so frail?  
When cops just stand back while cars are burning!  
And NEXT day throw innocents in jail!

How much do we value our democracy?  
It's heavily under attack  
Our rights have been trampled and deleted  
Let's vote now to get them all back!
