

HOW TO BAN ALL WAR!

Description

The **false** belief that **some** are worth
more than others **are**

is the reason **that** we have
neverending war!

There's **no** way that **tranquillity**
can **ever** be **sustained**
while **massive inequality**
is allowed to **reign!**

For **anyone** to **have** great wealth
others are **deprived**
of **any** means to **maintain** health
or **food** to just **survive!**

If **hoarding** of great **wealth** is banned
there's **not** a single **doubt**
we'd **have** enough **resources** that
no **one** would go **without!**

Any income **greater** than
one million a **year**
should be **redistributed**
to **people everywhere!**

The **US** has been **number one**
in the **creation**

of **massive inequality**,
which **now** must be **UNDONE!**
We need to start **here** and now
and **hope** that it will **spread**
far and wide **across** the world
before we are all **DEAD!**
So **ban**, ban, **ban** all war
by **stamping** out its **cause!**
End the **in-e-qual-i-ty**
by **revamping** tax **laws!**
