

How to Stop a Bill (and Bring it Down)

Description

How do we get a public groundswell going? How do we stop a bill and bring it down?
How do we show its many faults to others?
We talk it up clear
We tell what we fear
We frown!
Many a thing we have to say about it
Many a thing you need to understand
So Google C-10 today
And tell your MP NO WAY!
So many will be ruined by this plan
How do we solve a problem like this crime bill?
If we fight, we'll defeat it, yes, you and I sure can!
