

How Vile You Are

Description

You **think** youâ??re **god**, or **maybe just** a doctor
In that **weird**, **unhinged** meme **that you made**
Your **tiny hands**, with **strange** light **emanating**
Upon **dead** Jeffrâ??y **Epstein** **gently laid**.

CHORUS:

You blasphemer, weâ??re **tired of** your **hubris**
How **vile** you **are**. How **vile** you **are**.
You blasphemer, weâ??re **tired of** your **hubris**
How vile you **are**. How vile you **are**.

Another meme, you **dressed up** as the **po-ope**
You **dissed** Leo, you **called** him **weak** on **crime**
We remember, the **internetâ??s forever**
Donald we **see**, your **soul** is **full of slime**

(Chorus)

A photo **op**, at **Saint Johnâ??s parish** chu-urch
Where those **bullets** **made** of **rubber** **flew**,
Standing **there**, with **Bible** **upside** **do-own**
No respect, you **havenâ??t** **got** a **clue**

(Chorus)

Christ was **hungry**, **and** he **was** a stranger
Christ was **sick**, **but** you **didnâ??t** **care**
Fâ??r what you **do**, unto the **least** of the-ese
You did to him, **this** He **did** declare.
