

Hydrofracturing Sucks!

Description

The USA's addicted now to fossil fuel and oil, And hydrofracking's on the rise; that makes our blood just boil.

We know that fracking will destroy our water and our soil!

Hydrofracturing just sucks!

CHORUS:

(So) Take your freakin' fracking drills and keep 'em from our town,
We don't want your fracking turning all our water brown,
Take your freakin' fracking drills or we will shut you down!
Hydrofracturing just sucks.

It blows in nasty chemicals and poisons all the water;
And causes quakes beneath the earth a thing it shouldn't oughta;
We want safe drinking water for our sons and for our daughters,
But hydrofracturing just sucks!
