

Lyrics by: Georgia

Gaggle: Tucson

Tune: Love meTender

Date written or updated:

## **I'm a Warhead**

Look at me now, I'm a warhead  
in a submarine.

The Navy takes good care of me,  
my nukey killing ma-chine.

**Love me very tenderly,  
cuz I'm your dreams fulfilled.**

**Ura-ni-um, Tri-tium, Deu-teer-ium too,  
will shine so radiantly.**

I move silent in the deep  
While the world's asleep  
Millions say I'm their se-cu-rity  
and jobs are guaranteed.

**Love me very tenderly  
cuz I'm your dreams fulfilled.**

**The best explosive weaponry  
of the century.**

Lithi-**um** makes tri-tium,  
fusion makes neutrons  
Uranium sparkplugs are all mine  
and Plu-toe-nium two-three-nine....

**So love me very tenderly**

**cuz I'm your dreams fulfilled.**

**My in-tel-li-gen-ci-a**

**will give you diarrhea.**

Stra-tee-gic systems are the thing  
to pro-tect our nation's ways  
to say to the world that we are king  
so it's whoopie, jubilee.

**Whoopie, whoopie, jubilee,**

**Your dreams will all be mine.**

**Tell me you're still thrilled by me**

**at the end of time**
