

I'm Dreaming of a Quiet Christmas (in the Middle East)

Description

I'm dreaming of a quiet Christmas
In Bethlehem, that holy land,
With the conflict stopping
And no bombs dropping
And no more lines drawn in the sand

I'm dreaming of a just New Year
For Israel and Palestine,
Where no rockets glisten
And leaders listen
And there is hope for humankind ..

I'm dreaming of a sweet season
When senseless wars forever cease;
May our faith and good will increase,
And may all our years
Be blessed with peace.
