

In The Hot Hot Heat Of The Desert

Description

In the hot hot heat of the desert
Tell them we'll be there
No more deaths taking place in our desert
Let us do our share
Even one saved life is the reason
Why we have to care
In the shank of the day
When the laws in the way
Even then we will be there!

V2

In the hot, hot, heat of the desert
Many souls will cross
In the hot, hot, heat of the desert
Lives must not be lost
You know in your heart it's the right thing
And it's the law that's wrong
In the desert this way
We're preparing to stay
Till they sing a different song!
