Date written or updated: 01/25/19

It's Beginning to Look a Lot Like Impeachment!

It's **beginning** to look a **lot** like **impeachment**

everywhere **Mueller** **looks**.

From **everything** that we **hear**

it's **now** becoming **clear**

that **Trump** and all his **fam-i-ly**

are **just** plain **crooks!**

Now we **need** to impe-each **Mike** Pence **too-oo**

but **we-ee** cannot stop **there**.

While **cleaning** the Capitol **out**

Kav**naugh** and **Gorsuch** we'll **oust!**

Then go **on** to dump Trump's **whole** damn **crew!**
