

It's Beginning to Look a Lot Like Impeachment!

Description

It's beginning to look a lot like impeachment
everywhere Mueller looks.

From everything that we hear

it's now becoming clear

that Trump and all his fam-i-ly

are just plain crooks!

Now we need to impeach Mike Pence too-oo

but we-ee cannot stop there.

While cleaning the Capitol out

Kavanaugh and Gorsuch we'll oust!

Then go on to dump Trump's whole damn crew!
