

Iâ??ve Grown Accustomed

Description

Preface: Inspired by a quote from Jason Stanley

â??The targeting of non-citizens is only really a way to normalize the targeting of everybody.â?• Nov 15, 2025, on the Velshi show, MSNBC.

1. Iâ??ve grown accustomed to disgrace

The daily horrors that I see

Iâ??ve grown accustomed to the news

Scrubbed clean of the abuse

The loss

Of constitutional rights

Just seems like rehash to me now

How can I really take it in

I was a protest regular at every action and event

Now I just shout loudly at the TV

when I vent

Iâ??ve grown accustomed to the grift

The incoherent tweets

Accustomed to disgrace

2. Iâ??m just so numb to all the hate

The MAGA hats and Nazi signs

Erasing history from our lives

The immigrants and tribes

Our kids

Not taught

The battles we fought

Anyone who isnâ??t lily-white

Who love and worship differently

The xenophobic racist orders

And the quackery fake cures

Harassing and investigating

anyone who cares to stand up to the felon POTUS

And stand for all our allies

Accustomed to the hate

3. Iâ??ve grown accustomed to the fear

The outright banning of the truth

Those that speak up are cancelled out

So we must sing and shout

We risk

Arrest

But-can-we-rest?

So many have just disappeared

Trump has now stoked our greatest fear

I dread some MAGA "patriot" will likely recognize my face

But if I leave, who else will brave the storm and take my place?

I've grown accustomed to the threats

McCarthy era trials

Accustomed to the fear
