## **Jamie Dimon**

Jamie Dimon, how ya doin  
Here's some news from those you're screwin

20 million bucks a year

Your salary just isn't groovy

ba da da da da da da, isn't groovy

Chase Bank, a house of fraud

Violating lots of law-aws

Taking homes from families

Jamie Dimon, that aint groovy

ba da da da da da da, that ain't groovy

Your derivatives

Crashed our economy

We're angry and pissed off and oh so ready

To see you in prison for all your misdeeds

Jamie Dimon

You're not groovy.

ba da da da da da da, you're not groovy
