

## Join the Call for Arms Embargo

### Description

Deck the halls with sounds of protest, falalalala la la la la

So we say to US leaders, falalalala la la la la

Stop supplying all those weapons, falalalalala la la la

Join the call for arms embargo falalalalala la la la la

We are here to raise our voices falalalala la la la la

We can stop the bombs from falling, falalalala la la la la

Help us stop the flow of money, falalalala la la la

Join the call for arms embargo

(slow) falalalalala la la la la
