Kavanaugh's Everywhere

Kav-a-nau-sea's ev'-ry-where!

It's our coun-tries worst night-mare!

But **hold** on...(pause)

We're **not** done... (pause)

There is some **hope!**

Impeachments... (pause)

are **com**-ing... (pause)

they'll pro-**vide** the **an-ti-dote!**

Demand that **Congress** **save** our **law**

by im-**peaching** **Kav-a-naugh!**

The **Con**-gress...(pause)

can **kick** him...(pause)

out on his **butt!**

But **we** must...(pause)

scream **loudly...**(pause)

Congress still has **lots** of dumb nuts!

De-**moc-ra-cy** **itself's** at **risk.**

as **long** as **corp'**rate **rule** ex-**ists.**

This is the fight for our law!

We must **impeach** **Kav-e-naugh!**
