

## Kilmar Abrego Garcia

### Description

Kilmar Abrego Garcia (Tune of "My Bonnie Lies Over the Ocean")

Key: C , starting note: G By Grannies Ruth, Annie, and Lee 04/15/25

Verse added by FS, Piedmont Gaggle

Oh, Kilmar Abrego Gar-ci-a, his name we must never forget

We'll keep shouting it from the treetops, we won't rest 'til he boards a jet!

Bring back all who, were kidnapped and flown to El Salvador

We demand an e-end to Trump's dictatorial coup!

Kidnapping Kilmar was illegal. The court ordered he be returned

But Trump thinks that somehow he's re-gal, and so the court order he's spurned!

Imprisonment without due process, is not part of democracy

For anyone native or migrant, the same laws ensure our safety

Bring back all who, were kidnapped and flown to El Salvador

We demand an e-end to Trump's ma-ni-acal coup!

This could now happen to anyone, who lives in the U.S. today

For just speaking out about something, Trump doesn't want us to say!

Bring back all who, were kidnapped and flown to El Salvador

We-e mu-ust sto-op this, before he kidnaps me and you!
