

## King In His Mind

### Description

Country for sale or rent  
Senators, 50 cents  
MAGA has no regrets  
Kristi Noem just shoots her pets.  
About  
nine years of pushing lies, you know,  
that's how our freedom dies.  
He's a  
genius but he is not wise:  
King in his mind

Guts health care & senior care  
just to boost the billionaires  
Tanks our economy,  
worsens inequality. And he  
sure likes those pedophiles:  
covers up the Epstein files. Has a  
face just like an orange rind:  
King in his mind

He wears a balding comb-over  
& and paint on his face  
Uses brown people as meat for his base  
All of his cabinet is a disgrace:  
Bunch of nincompoops  
on a wild goose chase. We sing,

Country for sale or rent  
Senators, 50 cents  
MAGA has no regrets.  
You ain't seen nothing yet. He says,  
J-6 was a just a lark  
His insanity is stark.  
And he  
sure can whine and malign:  
King in his mind
