## **Laws Have Got to Change**

Laws have got to cha-a-ange  
Laws have got to cha-a-ange  
And the change must start, today-a-a-ay  
O-oh We won't stand down, or go away  
Change has got to start today

Austral-IA cracked dow-ow-own  
Austral-IA cracked dow-ow-own  
Rate of death from guns went, way-ay-ay down  
O-oh We won't stand down, or go away  
Change has got to start today
