

Leaving on a Big Plane

Description

All our rights are hacked, Trump's got to go
Why are indictments so damn slow?
I hate to see what's happening right now.
But the people are waking & some of them know
This President's is our biggest foe
Democracy's in peril can't you see?

CHORUS

So, get him out & get him gone
This is taking far too long
Lock him up & throw away the key
He should be leaving on his big plane
Don't ever come back here again
Get fired cuz he really needs to go

There's so many laws that he has broken
So many bears that he's been pokin'
I can't believe he gets away with it
So many programs that he has cut
He even cheats when he tries to putt
He couldn't be honest even if he got paid

CHORUS

So, get him out & get him gone
This is taking far too long
Lock him up & throw away the key
He should be leaving on his big plane
Don't ever come back here again
Get fired cuz he really needs to go

He's committing crimes up on the hill
The GOP really needs to chill
Stop backing him up becau-ause of their fear
Destroying Gaza so he can buy it
Hurting people & starting riots
While calling us the enemy from within

CHORUS

Well I'm so proud to stand against him
We will keep fighting till we win
Democracy we hope you're here to stay

He should be leaving on his big plane
Don't ever come back here again

(sing slowly)

Oh Trump, you really need to go
