

Legislative Mice

Description

Legislative mice

Legislative mice

See how they run!

See how they run!

They all run after the governor.

Like him they are rotten down to the core.

The Kochs have bought them off long before.

Legislative mice

for sale at the right price!

See how they run!

See how they run!

Theyâ??re only in town for the Koch brothers.

When teachers and parents and all others

show up demanding they do what is right

they hide from sight!

They hide from sight!

They have no shame!

They have no shame!

They scurry around behind closed doors.
They pass laws only the Kochs adore
giving the rich what they steal from the poor!
Now hear us roar!

WE'LL TAKE NO MORE!

UNKOCH ARIZONA!
