

## Let Me Sell Guns

### Description

CHORUS: Let me sell guns, lots of guns, to anyone who'll buy,  
Let me sell guns  
Let me sell to the gangs, to the sick and really mad,  
Let me sell guns!

Let me sell 'em by myself, without any rules  
I don't want no laws cuz they're made by fools  
They're money in the bank so I hope you're cool,  
Let me sell guns.

Bridge: Just turn me loose, sellin' weapons at a gun show  
Where the drug cartel will go  
Let's load 'em up, never checking any background  
Never asking what I know.

I want to sell till I'm rich as a CEO  
Don't want to know where the guns will go  
Don't listen to the news; I don't want to know  
Let me sell guns!

CHORUS:  
Let me sell guns, lots of guns, to anyone who'll buy...  
I wanna sell all my guns before it's too late  
Don't give a damn who they hate  
I'm not responsible for their crime  
I've got my dime.
