

Light Condom Song – Icky Stuff Around

Description

There's Icky Stuff Around

1) As I was walkin' down the street

Down the street, down the street

Made sure I had shoes on my feet

There's icky stuff around!

2) Wearing a condom's like that too

Like that too, like that too

Be sure there's one on You-Know-Who

There's icky stuff around!

3) Like the reason for a hat on your head

Hat on your head, hat on your head

Keeps the hot sun, bird poop off your head

There's icky stuff around !

4) Sex's more fun when you don't take risks

Hug and kiss but don't take risks

Love is the best when you don't take risks

There's icky stuff around!
