

Listen to the Tenants

Description

Listen to the tenants Listen to the tenants

What do they say?

What do they say?

Show us some humanity,

Show us some humanity

Right away, right away!

Listen to the people

Listen to the people

What do they say?

What do they say?

EPA* has rent control

EPA has rent control

Come what may, come what may

Listen to the tenants

Listen to the tenants

What do they say?

What do they say?

Struggle-ing to get by

Hear the tenants as they cry,

Weâ??re still here, weâ??re still here
