

Little Tiny Brains

Description

This song caught passersby attention, comforted the striking teachers and in general, lightened the spirit of picketers while noting the reality of the cutbacks in education. It has been dearly loved and annoys the heck out of those described:

Little tiny brains
That we have in government
They wobble to & fro (wobble head)
Where 'ere they're sent
When they cut us back
They are showing their
Little Tiny Brains!
