

## Local Government Screw Ups

### Description

(Brackets indicate where your local names may be added)

There's a vulture on your windowsill

There are storm clouds in the sky

Just look around [Ontario]

It's enough to make you cry!

2) Gangs of homeless in the street

Hospital waiting lists

Privatizing public trusts

it's okay! [Harris] insists.

3) If we want bluebirds and rainbows back

We have got some work to do

Get the [Tories] out of leadership

Before they come for you!
