

LOOP the LIE!

Description

Here we go loop the loop!

Here we go loop the lie!

Data centers claim

their closed systems won't leave us dry!

If you be-lieve what they say

I have a bridge to sell you!

cause up un-til today

their claims are more fa-alse than true!

Closed loops still need to be cleaned,

and they can eas-i-ly leak.

The P-FAS that they contain!

a price that is wa-ay too steep!

We're cleaning our a-qui-fer

of P-FAS still in it now!

We must protect our water

Don't let it be A cash cow!

Tell them to gather their loops

a-long with their closed system lies

and put them somewhere else?!'

some place where the sun doesnâ??t rise!
