

## Lorena Bobbit

### Description

When Lorena Bobbit Said, "John, you stop it!  
I've had enough!"  
He went on abusing her  
Never thinking she'd  
Chop it off.  
What a grave indignity  
For John, in just one minute, she  
Severed his masculinity  
( They sewed it back but it's still a bit droopy)  
SOLO: Now the whole assembly  
Of men goes trembly  
At Bobbit's name  
If they see the little wife  
Sharpening a kitchen knife, they exclaim:  
"I'm so sorry, honeybun  
I just like a little fun  
Now, I'll be good  
And if they don't learn from  
Lorena Bobbit  
They should!"
