

Loverly Redistricting

Description

All I want is a state somewhere
With Dis-tricts drawn both straight and fair.
Vo-ters treat-ed with care,
Oh, wouldn't it be lovely

The Tex-as scheme just must be beat.
For that, Prop Fif-ty is kind of neat!
A tem-po-rar-y feat
To bring us back in line again.

(Refrain)

Oh, for a place where the pres-i-dent
Just fol-lows the law
And does-not ask red states to cheat?!..
Our life would be complete!

When this is done we can take a pause
And legislate a new set of laws?!.
Re-quire non- partisan draws
For dis-tricts fair and lovely!

Vote this Fall! Lovely! Fair for all!

For voting fair and Lovely!?
