**MacJustice: Operation Streamline (tune of Take Me Out to the Ball Game)  
By Lee for Tucson Raging Grannies 052018**

**Oper-a-a-tion Strea-eam-line**

**has no place in our courts**

**It treats everyone, even refugees**

**like assembly line burgers with cheese**

**N' speaking of this Mac-Ju-us-tice**

**it's a shame on us all!**

**Join us now to demand that this stop**

**so we once.... more stand tall!**

**One in five corp'rate CEOs**

**has traits of a so-ci-o-path!**

**To cal-cu-late all the lives lost to their crimes**

**would re-quire using ver-y high math!**

**Facts show that very few... perps**

**are immigrants, and this shows**

**if we real-ly want to be tough on crime**

**then we should deport CEOs!**

**No more Mac-Jus-tice Strea-eam-line**

**It's a to-o-tal sham**

**It is us-ing as-semb-ly lines**

**to send people back where their fa-ate is damned!**

**Aut-o-mat-ic im-pri-son-ment**

with-out a pro-o-per trial

is **not only un-just**

it's **in-humane too!**

It is **JUST PLAIN VILE!**

The **facts show u-us that people born**

**here in the land of the free**

**are the most like-ly to com-mit crimes**

n' **with that know-ledge then we-e can see**

if we **want to low-er the cri-i-me rate**

then **take us all into court**

so Mac-**Jus-tice judg-es can point to us ALL and**

**DEPORT! DEPORT! DEPORT! (*point at 3 different persons*)**
