

## Make America White Again

### Description

Donald Trump is president  
He'll make America great again  
He promised, he threatened to build a great wall  
Don't worry, don't fret cause

Mexico will pay for it all  
Mass deportations must take place  
Disappearing-immigrants-without-a-trace  
Replacing each brown with a white face

Make America white again!

No longer must we be P.C.  
Our speech is now unchained and free  
Rape culture and race jokes are so very cool  
It's time for straight white men

To remember they're the ones who rule  
Rude and crude is what we are  
We celebrate it near and far  
Victory in the culture war

Make America cruel again!

All hail strongman Donald Trump  
As cozy as a cancer lump  
All data of Muslims, he'll keep on a list  
He'll know where to find them

Just-in-case-they-try-to-protest  
And if they fled from civil wars  
To them he will shut our doors  
Return them to the blood and gore

Make America white again!

Now that Trump is president  
We wonder where our troubles went  
Climate change is a hoax from China he thinks  
Those scientists are dummies

He bellows with a stinky wink  
And Sarah Palin's the energy wonk

Don't count on her to drain the swamp  
Drill Baby Drill's her only song

Make the Earth unlivable!

As a Real He-Man, Donald Trump  
Gets to grab just what he wants  
If women don't like it  
They'd better shut up

They're here for his pleasure  
Not to lift their own lives up  
No more abortion right to choose  
Who cares if men, their wives abuse  
Get ready, all your rights to lose

We want total patriarchy again!

But if to you the good old days  
Feel more like a foul disgrace  
Raise your voice in protest  
And do not wait

If all join together  
We won't have to accept this fate  
We must let the whole world know  
That Donald Trump will have to go  
Put an end to his hate crime show

Make America great!..for!..all!!!
