

Mammogram Song

Description

Thanks for the mammogram
It wasn't lots of fun
It made my breast go numb
Squash me any harder
And I'd be a hot cross bun
But thank you, so much.

2) Thanks for the mammogram
It really helped to see
The shady side of me
The x-rays found what I could not
As large as a small pea
So thank you, so much.

3) Thanks for the mammogram
I wish I could be sure
They're finding out a cure
Or better yet, what causes it
So I can save my favorite tit
But thank you, so much!
