

Mammogram Song

Description

Thanks for the mammogram
It wasn't lots of fun

It made my breast go numb

Squash me any harder

And I'd be a hot cross bun

But thank you, so much.

2) Thanks for the mammogram

It really helped to see

The shady side of me

The x-rays found what I could not

As large as a small pea

So thank you, so much.

3) Thanks for the mammogram

I wish I could be sure

They're finding out a cure

Or better yet, what causes it

So I can save my favorite tit

But thank you, so much!
