

## Marching Time

### Description

(Brackets indicate where you can make this song local with your own street and town names)

Well, it's marching time again  
And still we need it  
You can read about us women  
In the press  
How trouble on the night streets  
Keeps on happening  
and because of this once more  
It's marching time.

2) Well a woman up on [Brock Street]  
was assaulted.

And on [Montreal] a man  
attacked a friend  
Every time you walk in [Kingston]  
in the evening  
You can't tell how your night  
Is going to end.

3) Will there ever come a day  
when we can venture  
Outside our doors  
No matter what the time?  
When a woman's just as safe  
As men are always?  
All we know is,  
Until then, it's marching time.
