## **Me Too**

Me Too .... Me Too,  
My boss has got to go  
He hits on me day after day  
And won't..... hear no...

He won't hear no..... Oh no.  
That's why he's got to go.  
He gropes and leers, engenders fears  
He needs..... to go

Me Too, Me Too..... Me Too  
We protest till we're blue  
We must all say enough's enough  
Me Too..... ME TOO!! (Shout)
